

Passion of the Moon

Dm F2 C2/E Cm2/G

I'm not the one, I'm not that guy
I'm not standing like a statue as the world goes by
I've seen that man, I know the one
Who is standing in the shadows, looking on
With all the passion of the moon

I'm okay now, I didn't mean to shout
It's just sometimes this whirlwind inside me must come out
'cause it pulls me in, draws me constantly
As I fight the endless currents of apathy

Dm C#mb5/D C5addF#/D B5addG/D (Bass can walk down D C# C B)

Let me show my passion
Free from any derision
I won't worship your idols
Release from this prison

Cause I need, yes I need, I need to breathe
And I feel, I feel, and I feel
